

GOD IS *good* MINISTRIES

www.carolodenwald.com / November 2013 / Carol Odenwald

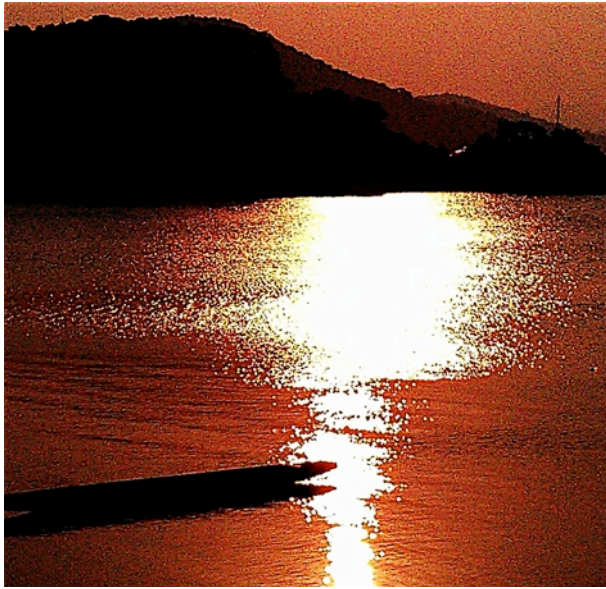

We have so much to be thankful for; as we enter into this holiday season, these are just a few of the things that cause me to “Give Thanks!”

On November 2nd , CBC Hong Kong had its very first graduation and promotion ceremony! We celebrated a day of small beginnings because we know that there are huge things in store!

I’m so very proud of all our students. Hong Kong is such a fast paced city, completing the courses proves to be extremely difficult for many students. All of the students have persevered in the face of great challenges and have overcome! We had 2 students graduate, while 4 completed their 1st year!

I’m also grateful because we are moving towards getting more materials translated into Chinese! This will fling the door wide open to accomplish the original plan of offering courses to the local Chinese. My heart sings for joy at the thought of accomplishing this task! We currently need translators who have a revelation of grace to help us. Please pray that we will find the right people!

GOD'S HANDIWORK HERE
IN SAI KUNG!

The fall is such a beautiful time of year in Hong Kong. The humidity and oppressive heat seem to dissipate and are replaced by gentle breezes...the state bird (the mosquito!) takes flight! ☺ **I can open up the windows and enjoy the fall here as much as I enjoy springtime in the U.S.!** Thank you, Lord!

I have increased my morning walks and am including some beautiful pictures of our Daddy's handiwork here in Sai Kung.

I will be returning to the U. S. on November 21 for the holidays. I am looking forward to spending time with my family. I also hope that I get to see as many of you as possible, so that I can thank you personally because...

The thing that I am most grateful for today is you! Your faithfulness, generosity, love, prayers, and finances humble me. I pray that God would show you how much you are loved by Him and by me!

Happy Thanksgiving!

Love, Carol
