

GOD IS *good* MINISTRIES

www.carolodenwald.com / January 2013 / Carol Odenwald

It was such a joy to see so many of you during my time in the U.S. last month! I also accomplished much of the preparation I needed to do in order to "hit the ground running" upon my return to Hong Kong!

And that's exactly what happened! After arriving back in Hong Kong, we immediately began preparation for our opening rally on January 7. We had 20 in attendance for worship, sharing, and fellowship. Now, **CBC Hong Kong is finally up and running!** What a joy it is for me to see student's hearts beginning to open and the light in their eyes as they begin to understand God's unconditional love and grace.

We held our first classes on January 9th with 6 first-year students in attendance. I'm expecting more to join in February because students can start at the beginning of any new course!

Even though it feels like we have prepared for so long and had so many obstacles in starting this school, I am so glad to be in class and it was definitely worth the wait!

*These students will never be the same,
THANKS TO YOU!*

Thank you Debbie for coming to help me for a few weeks, what a blessing!

We've even begun plans for a mission trip to Udon Thani, Thailand, May 1-5th. We will be hosted by Jeff Devine, whose work there is changing lives with the love of God.

I'm so grateful to God to have the help of Debbie Noble Forgeston, who returned with me to help for a few weeks. Her heart for the students and willingness to help is such a blessing to me. I truly understand why God sends people out in pairs instead of alone! Even Paul, in one of his letters to the Corinthians, spoke of being comforted by Titus, who came to join him in Macedonia, where they were "troubled on every side." **Kind of sounds like the difficulty we've had here with the bureaucracy of incorporating CBC Hong Kong!** I think I'll change Debbie's name to "Titus!"

Just like Debbie, you have comforted me and helped me with your faithful prayers and financial support! Without you, none of this would be possible. **You are changing lives in Asia and I love you so much!**

love, Carol
