

GOD IS *good* MINISTRIES

www.carolodenwald.com / February 2014 / Carol Odenwald

If God has spoken a word or prophecy to you, and you haven't seen it fulfilled yet, don't let go of it! On February 25, 2001, there was a prophecy was given to me through my pastor at the time.

He said that **there had been songs brewing down deep in my spirit that seemed distant; as if they were down in a well. He said that the Lord was going to give me a bucket to draw out those songs and that they would bless the Body and bring blessings to my life!** I typed out the prophecy and have read it countless times over the years.

13 years later, this is happening! **The songs are beginning to flow and I want to record a new CD of these songs this summer, when I return to the U.S. I believe God has given me the title for the CD already: From My Heart.** I love how faithful our Daddy is!

Upon arriving back in HK, **I received a letter from a precious woman in Kansas. She thanked me for being so open in my testimony (www.awmi.net/extra/healing/carol) about the past abortions in my life.** In my November 2011 newsletter (Find it under "Latest News" on my website) I wrote about the 13 million babies who are aborted each year in one country alone and how God had healed my heart.

THANK YOU PASTORS ROB AND
GLENDA RUFUS, FOR OPENING YOUR
CHURCH TO CBC HONG KONG!

I know that part of the plan for **my future involves ministering healing to as many women, and men, who have aborted their children;** with or without a choice.

God is giving me a song to minister to them, and my prayer is that it will bring healing to many, as it helped this woman in Kansas! She took the time to make me a couple of precious cards. One has a mirror in the middle with the verse 2 Cor. 3:18, which is the first “life scripture” God gave me! She had no way of knowing other than the Holy Spirit!

NEW HOME FOR CBC HONG KONG!

We have a new venue for CBC Hong Kong! We are very grateful to City Church International and Pastors Rob and Glenda Rufus for allowing us to rent space in their beautiful new facility. The students love the atmosphere and their lives continue to be changed as they study and grow in their relationship with the Living Word—Jesus!

I cannot thank you enough for your continued love and financial support. You allow me to be part of the work that God is doing all over the world!

Love, Carol

PSALM 34:8
