## GOD IS ON THE MOVE IN HONG KONG

It's awesome to see God moving through the relationships that He is setting up for us! This month I had the pleasure of spending time with Cindy Pearson who will become the new Director for Charis Bible College Hong Kong in July.

**During her visit so much was accomplished through strategic meetings with key people.** We met with the directors of Christian Action, an organization that is doing great things in Hong Kong and in the mainland. We are hoping to form a working relationship that includes holding classes at their facilities beginning in September.

We met with Dennis Balcombe who has been a missionary here for 40 years! You may have seen him in the movie, *Finger of God*. **He gave us great insight about training pastors in Southeast Asia,** which has been my heart as well as the heart of Andrew Wommack Ministries. We also spent time with Pastor Tung Lee of Island City Church and discussed visa possibilities for Cindy!

My heart is so full as I am watching the plan of God come to pass. All of the things the Lord showed me when I first came here three years ago, He has shown Cindy as well. It is a wonderful feeling to know that the groundwork has been laid, and the work will continue to flourish!

*A month of divine appointments: Cindy and I with the directors of Christian Action.*

*Dennis Balcombe gave us great insight on how to train pastors in Southeast Asia.*

*We also received helpful visa advice from Pastor Tung Lee!*

## ON A PERSONAL NOTE...

It will be bittersweet to leave here in June. I love the people so much, but I am completely at peace that this is God's plan for this next season of my life!

I feel a bit like Abraham must have felt when God told him, "Get out of your country, and from your father's house, to a land that I will show you." But when He asks you to do something difficult, remember how He followed the command to Abraham with "...and I will bless you... and you shall be a blessing." (Genesis 12:1-2)

**That is my heart's desire—to be a blessing to anyone and everyone that He puts in my path.** I look forward to this next season of "flying with the Holy Spirit" wherever doors are opened in the U.S. and abroad!

As always, I cannot thank you enough for your love, prayers and support! ***Without Jesus, I would be nothing, and without you, I could not be His hands and feet!*** You have my heart!

*love, Carol*

Yes! I want to help you take the God's love to Southeast Asia!
