MINISTRY TO THE BROKEN- HEARTED

On May 16th, I headed to Cape Town, South Africa with our second year students, for their mission trip. We joined a ministry called The Ark City of Refuge, which ministers to about 800 homeless, indigent, addicted, frail, and elderly people. **One woman at the Ark, captured my heart, we'll call her Katrina.** While our stories have a lot of similarities, my testimony pales in comparison with hers!

Her step-father began raping her at 5 years of age and got her pregnant at 13. After several abortions and becoming addicted to drugs, she turned to prostitution to support her habits; all the while, the abuse by her step-father continued.

She got pregnant by another man in her early 20's and gave the little girl up for adoption because of her addiction. Several years later she got pregnant again by her step-father and had a son who now lives with her mother.

After coming to the Ark, accepting Jesus, and being clean for 2 years, she wanted to find and reconnect with her daughter. A day was set up for them to meet, and then just 5 days before they were to be reunited, the daughter suddenly fell seriously ill and died. I can't imagine the heartbreak. Katrina turned back to drugs.

She returned to The Ark after some time, got clean again, and finally filed charges against her step-father. He was put in prison, but was murdered by one of Katrina's relatives, seeking revenge. Consequently, Katrina feels responsible.

Katrina had never told her whole story to anyone, but after I shared my testimony, she opened up to me. **We talked about the power of forgiveness, how it releases you, and what the difference is in recovery and knowing that you are totally redeemed! She is now taking baby steps that I pray will turn into giant leaps with Jesus!** I cried when I had to leave her.

PEOPLE DEVoured ALL THAT THE LORD
HAD ME SHARE IN HEIDELBERG,
SOUTH AFRICA!

CBC HONG KONG JUST GRADUATED ITS
FIRST TWO CHINESE STUDENTS!

After the students left to return to Hong Kong, I went to Heidelberg, South Africa to minister at Langeberg Christian Fellowship and CBC South Africa.

Pastor Bennie, Carlyne Kotze, the staff, and students devoured all that the Lord had me share with them! **It never ceases to amaze me how the Holy Spirit speaks to each individual with just what they personally need to hear no matter what is being said!**

On June 7th, CBC Hong Kong graduated its first 2 Chinese students! This is just the beginning! Praise the Lord!

FUTURE PLANS

As for the future of God is Good Ministries and myself, **I will now be able to go minister in different places and stay when I need to stay or go when I need to go.** I will follow the Lord's leading wherever it may take me, and minister to each one He places in my path, for however long that takes. **LOVE NEVER FAILS!**

During this next season of ministry, I will need your prayers and support more than I ever have before! My heart yearns to see Katrina and others like her, free in the love of Jesus. **With your help I can continue to share His love and grace to everyone He places before me!**

I love you so much and thank you for all you do!

Love, Carol
