I LIVE  
IN A RIVER!

I recently heard Kris Vallotton, from Bethel church, speaking about Ezekiel's river from Ezekiel 47. This has always been a favorite passage of mine. He talked about how it was a picture of apostleship. In the passage, wherever the river goes there is life and healing and it dawned on me that this is where I live! I live in that river!

This is what God has for us...wherever we go that river will flow from us and not only people, but entire cultures will change! I truly believe the river of God's unconditional love and grace will change the culture of Hong Kong and flow out in every direction!

I am living in Hong Kong and getting settled into my new home! No furniture and appliances to speak of yet, but I get excited just thinking about how God will provide! He always does.

*God will provide everything I need!*

Soon we will be teaching the Good News at CBC Hong Kong!

This is the new CBC Hong Kong main auditorium! Classes start in September, I can't wait!

Having lived out of a suitcase for the better part of 4 years, either renting a room from or staying with someone, **I've been thinking about "home."** The more I think about it the more I realize that there's a place on the inside of me that is "home." **It's not a place...a house or an apartment; it is the love of Jesus on the inside that flows out like a river. That is home.** I realize more each day that this earth is not my home.

**There will be a river of God's love flowing out from underneath the door of CBC Hong Kong and God Is Good Ministries to all who need life and healing!** CBC Hong Kong will open in mid-September and I am so excited!

My heart is so full of love for you. You are making it possible for me to be here and help transform a culture. **You have my heart and you are a huge part of that river of Love to Southeast Asia!**

Thank you for your love, prayers and faithful support! Dive in!

*love, Carol*

Yes! I want to help you take the God's love to Southeast Asia!
